Kayak Polo

We offer a fun and creative team-oriented kayak polo game for approximately 1 ½ hours. Groups are split into two opposing teams. The games take place in kayaks on the water where each team has a goal to defend. Points are won as teams toss a ball into the opposing team's net. Once a person catches the ball they can no longer paddle towards the opposing team's goal and must determine whether they should pass or shoot from where they float. It is like basketball on water – just don't lose your balance.

(26 people maximum)

\$40 per person

Boatbuilding Teambuilding

We offer a fun and creative team-oriented boat building competition for approximately 1 ½ hours where participants are divided into teams and instructed to design and build a boat from unconventional materials. Teams must communicate and work together in order to build their boat before the time frame runs out. Races are held at the end to determine whose boat design is indeed seaworthy! **(10 people minimum)**

\$50 per person
