All alcoholic beverages must be purchased and consumed on premises. The sale and service of alcoholic beverages is regulated by the State of California Liquor Commission and, as licensee, the Lakeside Café is responsible for the administration of these regulations. Therefore it is the policy of the Lakeside Café that liquor of any type cannot be brought into the establishment from any outside source. Drinking distilled spirits, beers, coolers, wine and other alcoholic beverages may increase cancer risk and, during pregnancy, can cause birth defects.

All food and beverages must be consumed on the premises. Local Health Department rulings prohibit banquet guests from taking any food from the establishment. We understand that planning an event is an important task, requiring attention to detail. For this reason, we have established the aforementioned guidelines to aid in this process. Thank you for considering Shoreline for your event!
